JOB RESPONSIBILITIES

Club Delegate

Overview.

The key players in the successful implementation of any county wide plan are the Club Delegates. As will be noted below it is they, through the County Executive, who hold the authority to determine any changes to policy or action that Sussex County Bowls wishes to make.

The Sussex County Bowls Constitution:-

Para 5. ADMINISTRATION (b) states:

The affairs of SCB shall be conducted by an Executive Committee for each Section (Men's and Ladies') each consisting of (there then follows a lengthy list of all the respective Officers and GPC members) **plus one delegate from each affiliated club with under 100 members and two delegates from each affiliated club with 100 members and over.** (After reference to additional members of the Executive Committee this paragraph then states) **Only club delegates shall be entitled to vote, twenty-five to form a quorum. N.B.** Members of the GPC who are not club delegates are not entitled to vote.

Para 7. GENERAL PURPOSES COMMITTEES (b) states:

The duties of this Committee shall be to make recommendations to their respective Executive Committees, deal with business referred to them and with any matters that may arise between Executive Committee Meetings.

From the above it is clear that the control of SCB is in the hands of the Club Delegates.

The position of Club Delegate to Sussex County Bowls is an important and prestigious appointment. **All of the important decisions in the County are taken by a majority vote of the Delegates.** Club Delegates represent their club and their votes decide the actions taken by the County.
