COUNTY AND PRESIDENTIAL MATCHES FOR 2024

Each year the County play - OUTDOORS - a number of friendly 'County matches' against other Counties and Presidential matches against clubs and organisations within our County that are often to celebrate the Centenary of the club, the opening of a new clubhouse, etc., etc. The County also play a number of INDOOR matches against clubs in this County - during the Winter Months.

All players, both County 'badged' and 'unbadged players', may apply to play for the County, but the members of the Selection Committee have indicated that if they are to consider 'unbadged players' for selection, then they 'would expect' that such 'unbadged players':

a) Have already earned a reasonable number of County 'badge points', b) Are attempting to obtain such points by entering County Competitions - particularly the Unbadged Singles, c) are playing for their Area VPs where their ability can be seen by selectors from all areas, d) Are making themselves available for Presidential matches as well as County matches. There may be exceptions.

When selecting players for County Friendly matches, the selectors are required to predominantly select - County Badged players - but are permitted to select one or two - highly recommended - unbadged players. *(It should be noted that the Women's Section will not select any player who does not hold a County Badge).*

Each year, several players indicate they wish to play for the County, but for one reason or another are not chosen by the selectors to play in any of the 'County Friendly' matches. The opportunity now - to indicate a wish to be also considered to play - in the internal County 'Presidential matches' - will if selected, give these players the opportunity to be seen, which may enhance their chances of being selected for the County Friendly matches.

If you are interested in representing the County and wish to be considered - whether you are a badged player or not The Forms F2B1 & F2B2 - MUST BE COMPLETED BY you the PLAYER - and sent in - to the Hon. County Secretary - prior to 1st February, 2024.

To ensure fairness to all, late applications will not be accepted.

BY COMPLETING THIS FORM, A PLAYER GIVES IMPLICIT CONSENT FOR HIS CONTACT DETAILS AS SUPPLIED, TO BE STORED AND MADE AVAILABLE AND USED FOR LEGITIMATE REASONS.

ALL applications received will be passed to the Selection Committee for both County Friendly matches and now also for 'Presidential matches'. About March time, your selector will send you an email asking for your availability for the first few matches County matches, of the season - and then similarly at intervals during the season, for other matches. **Players who fail to have the courtesy to respond - may be removed from the list.**

NB. Selectors will be using EMAIL addresses to contact players – please ensure ALL INFORMATION REQUESTED IS COMPLETED AND IS LEGIBLE – IT IS USELESS IF IT CANNOT BE READ!! PLEASE ENSURE YOU ARE ABLE TO QUOTE AN EMAIL ADDRESS YOU CAN BE CONTACTED THROUGH. Thank you.

Under the revised Selection Policy brought in for the start of the 2016 season, a player may now be selected for several game during the season if he is considered suitable and as from 2019 an unbadged player, will receive 1 Credit point for each COUNTY friendly game he is - initially selected - to play in - up to a set maxium number of points in any one season. **(Amended AGM 21)**
