COUNTY AND PRESIDENTIAL MATCHES FOR 2022

Each year the County play, a number of friendly 'County matches' against other Counties and currently a number of Executive matches against clubs and organisations within our County that are often to celebrate the Centenary of the club, the opening of a new clubhouse. etc., etc.

When selecting players for County Friendly matches, the selectors are required to predominantly select - County Badged players - but are permitted to select one or two - highly recommended - unbadged players. (It should be noted that the Women's Section will not select any player who does not hold a County Badge).

Currently only Officers and appointees of the County - and the club delegates, who are members of the Executive, are able to play in Executive matches - and for every match it is a struggle to get sufficient players who wish to play. These matches are now therefore being renamed as 'Presidential matches' and selection opportunity has been opened up to all members.

Each year, several players indicate they wish to play for the County, but for one reason or another are not chosen by the selectors to play in any of the 'County Friendly' matches. The opportunity now - to indicate a wish to be also considered to play - in the internal County 'Presidential matches' - will if selected, give these players the opportunity to be seen, which may enhance their chances of being selected for the County Friendly matches.

All bowlers throughout the County are therefore encouraged to put their names down for possible selection in both County and 'Presidential matches'. If you are interested in representing the County and wish to be considered - whether you are a badged player or not - PLEASE FULLY COMPLETE AND SUBMIT FORM 2B by 1st February.

BY COMPLETING THIS FORM, A PLAYER GIVES IMPLICIT CONSENT FOR HIS CONTACT DETAILS AS SUPPLIED, TO BE STORED AND MADE AVAILABLE AND USED FOR LEGITIMATE REASONS.

ALL applications received will be passed to the Selection Committee for County Friendly matches and also to the Assistant Secretary for 'Presidential matches'. About March time, your selector will send you an email asking for your availability for the first few matches County matches, of the season - and then similarly at intervals during the season, for other matches. Similarly the Assistant Secretary will send out seeking availability for the 'Presidential matches'. Players who fail to have the courtesy to respond - may be removed from the list.

Note for Secretaries: If you have any player who you consider suitable, please ask him to complete a form and send it in. ONLY PLAYERS may now complete the form themselves, as completion of the form signifies consent for the data to be used for legitimate reasons.

NB. Selectors will be using EMAIL addresses to contact players - please ensure ALL INFORMATION REQUESTED IS COMPLETED AND IS LEGIBLE - IT IS USELESS IF IT CANNOT BE READ!! PLEASE ENSURE YOU ARE ABLE TO QUOTE AN EMAIL ADDRESS YOU CAN BE CONTACTED THROUGH. Thank you.

Under the revised Selection Policy brought in for the start of the 2016 season, a player may now be selected for several game during the season if he is considered suitable and as from 2019 an unbadged player, will receive 1 Credit point for each COUNTY freindly game he is - initially selected - to play in - up to a maxium of 2 points in any one season.

Rod McBeth

Hon. Secretary - Sussex County Bowls - Men's Section
