

Incoming Presidential Speech 2022 AGM

I would like to thank my club Bognor Regis for supporting my nomination to be the President of Sussex County.

it is Bognor's centenary in 2023 which makes it even more special and it is an honour and privilege for me to be your President.

I would also like to thank my wife Janet for her support and understanding.

I am looking forward to meeting as many of you as possible and as your figure head and ambassador for the county I hope I can fulfil my purpose in being your President.

My Presidential team has now shrunk as we no longer have a Junior Vice President, but with my Vice President Stuart, we will support all of you to the best of our ability, playing in all of the matches that we can and supporting you on the representative matches and competitions and at Leamington. With the help of my fellow officers, we will be successful on all of our undertakings and enjoyable to all.

It is also down to you the club representatives and players to support the County by making yourselves available for selection for county games.

I will do all that I can to make our county as strong and robust as I can and look forward to a successful outdoor season.

I wish you all a Merry Christmas and a Healthy and Happy New Year

John Whitfield

President 2023
